

# Central States Water Environment Association Announcement

YP Event - Scheduled Saturday July 23, 2011 11:30 am

**Come join the young professionals within Central States and IWEA for a YP Golf Instructional at the Top Golf Academy.**

Top Golf Chicago is more than just a golf driving range - it is a revolutionary sports entertainment complex combining games with great food and an environment you can enjoy year-round with friends and family of all skill levels. Top Golf features computerized microchips in every golf ball that track your shots accuracy and distance while awarding points by hitting targets ranging from 20 - 250 yards away.

We have contracted one of the teaching pro's to work with anyone who would like assistance, instructions, and swing analysis.
