

2009 24th Annual CONFERENCE ON THE ENVIRONMENT

November 12, 2009

Earle Brown Heritage Center, Brooklyn Center, Minnesota

SPEAKER BIOGRAPHY SHEET

The following information will be used by session moderators in introducing presentations for the conference. The conference is sponsored by the Minnesota Section, Central States Water Environment Association, a member association of the Water Environment Federation, and the Air & Waste Management Association – Upper Midwest Section.

Name: Bob Sandberg

Organization: Great River Energy

Address: 12300 Elm Creek Boulevard

Maple Grove, MN 55369

Phone: 763-445-5305

Email: bsandberg@greenergy.com

Professional Title: Business Development Leader

Brief Professional History/Awards/Publications: 12 years of electric utility industry experience including: **key account executive**: working with large commercial & industrial customers on energy efficiency, **power marketer**: negotiating power contracts on the wholesale market, **national sales manager**: installing large scale distributive generation

Education Background: B.S Finance & Energy Management, Moorhead St. University

M.B.A. Carlson School of Management, University of Minnesota

Title of Presentation: Carbon Neutral Generation

Brief Presentation Description: Renewable energy mandates and the potential for carbon legislation is driving electric utilities to explore alternative generation options. In this presentation we will review some carbon neutral generation options; their benefits, negatives, and how they compare in costs. I will also provide an overview of Great River Energy including its generation mix and the potential exposure GRE has to the proposed carbon legislation.
